SHINERS HAVE A BIG HEART!

For over a hundred years men like you have become Shriners and have added new dimensions to their personal lives. You are a Mason dedicated to the principles that have made America great and now can expand your activities through the Shrine that will enrich your life and help make our world a better place to live.

THE WORLD'S GREATEST PHILANTHROPY

Shriners Hospitals for Children is one of the largest pediatric sub-specialty health care systems in the world, providing specialized care to children with orthopaedic conditions, burns, spinal cord injuries, and cleft lip and palate.

We are dedicated to improving the lives of children through innovative care, world-class research and outstanding teaching programs for medical professionals.

Each of our 22 locations specializes in one or more of our broad service lines. All care and services are provided to children up to age 18 regardless of the families' ability to pay.

One of the world's leading Shriners Hospitals for Children is located in Boston. It operates in association with the great Massachusetts General Hospital and Harvard Medical School.

GOOD FRIENDS! GOOD FUN! GOOD FOOD!

Shriners are men who appreciate life! They enjoy their homes, families and friends. They go to ball games, laugh while at the circus, love bands, parades, and dance at a gala ball with their Ladies. A Shriner loves children, and because of this affection his good times help support the Shriners' humanitarian efforts.

Our ritual features the colorful pageantry, costumes, music and emblems of the Orient.

The social times are: family and group picnics, clam-bakes and cookouts, sports events, golf outings, banquets, luncheons, Ladie's nights, stag events, charter trips, Shrine Circus, Ceremonials, national Shrine conventions, parades, symphonies and concerts.

HAPPINESS IS SHARED WITH OUR LADIES!

Our Ladies are important. They are the inspiration for putting a zip into our Shrine lives. Their support in our social and fundraising activities helps Aleppo Shriners to reach its goals successfully.

AN "OASIS" IN A BUSY WORLD!

At our Wilmington Shrine Center, we have a spacious and well-appointed facility. There are social rooms, activities-dining-entertainment areas, workshops and rehearsal places, business offices, and our 37,000 square foot ceremonial, auditorium, and circus arena. Nobles keep this a humming hub of activity.

100 YEARS FILLED WITH FAMOUS MEN!

The lists of Shrine Nobles, past and present, sparkle with famous names – men like: Gen. Douglas MacArthur, Gen. James M. Doolittle, Harold Lloyd, Will Rogers, Eddie Rickenbacker, Harry Truman, Gerald Ford, John J. Pershing, Col. Edwin "Buzz" Aldrin, Virgil Grissom, L. Gordon Cooper, Eliot Richardson, Red Skelton, Roy Rogers, John Wayne and Michael Richards. These and countless other men who are leaders in their fields, men who enjoy life, contribute to humanity and their communities, have found the Shrine to be a natural adjunct to Free and Accepted Masonry. Shriners CARE! That's why they have a big heart!
